SENIOR OFFICIALS WORKSHOP FOR ALL-HAZARDS PREPAREDNESS

MGT-312

This workshop provides an interactive forum to understand the roles and responsibilities of senior leadership as related to all-hazard disaster preparedness, to share proven strategies and best practices, and to enhance coordination among whole of community partners.

The class will provide a basic understanding of planning, operational coordination and public information and warning through lecture and group discussions. The participant will have the opportunity to work through a customized tabletop exercise focused on the strategic objectives faced by senior leaders. The final outcome of the class is the development of an action plan to improve the preparedness posture of the community/organization.

Topics

- A tabletop exercise tailored for the jurisdiction(s) as the catalyst to generate discussion of policy and emergency operations center activities required to support the incident commander's and state/federal government requirements related to an all-hazard, catastrophic incident
- Roles and responsibilities and preparedness challenges
- Domestic preparedness resources and how to leverage them for your community
- Homeland Security Strategic Planning as it relates to risk and needs assessment and the Emergency Operations Plan (EOP) for your jurisdiction
- Executive-level incident response and recovery considerations, including medical/public health, situational appraisal, incident management (ICS), mutual aid agreements, media relations, recovery and restoration processes, federal assistance, and business/economic recovery
